I am pleased to invite you to a public meeting about the proposed development of the Carlton United Brewery site.

The Minister for Planning, the Hon. Frank Sartor MP, has appointed an Expert Advisory Panel of Neil Bird, Lucy Turnbull, Michael Collins and myself as Chair.

To ensure that we have consulted all those who live and work around the site we have organised a public meeting on:

DATE: Tuesday 15th August
TIME: 6.30pm-8.30pm
VENUE: University of Technology Sydney, on Broadway, opposite CUB
ROOM: Room 2.4.29, ground floor of Building 2, access through Tower 1

At the meeting we will present a range of issues that we would like to get your comment on.

Interested residents and workers are very much encouraged to attend.

Yours sincerely

Chris Johnson
